Awards For Excellence

PRESIDENT'S LETTER

Dear Members and Honoured Guests,

Welcome to the NAWIC Northern Territory Chapter Awards evening and thank you for joining us to celebrate another incredible year for our industry.

This evening recognises the outstanding individuals whose leadership, dedication and passion continue to shape the future of construction in the Territory.

This year, our Chapter has remained focused on creating opportunities for women to learn, lead and grow. We were proud to once again partner with Charles Darwin University to deliver our scholarship program and to launch the Bron Stephens Leadership Scholarship, investing in women reaching their full potential through education and leadership.

We also joined forces with our industry partners to deliver another successful International Women's Day event and proudly hosted our annual Trailblazers event, continuing to connect, inspire and celebrate the remarkable women shaping our industry.

To our sponsors, partners, volunteers and members, thank you for your ongoing support. Your commitment enables NAWIC to continue creating meaningful opportunities that strengthen our industry and empower the next generation of women in construction.

Congratulations to all of tonight's finalists and award recipients. We are proud to celebrate your achievements and look forward to what we can accomplish together in the years ahead.

Monica Gardiner - President
