

AWARD FOR SUSTAINABILITY AND ENERGY

For the contribution to sustainable practices and/or energy to the environment within the construction, building or related industries.

Purpose and Recognition

This award recognises women who have made contributions to sustainability and/or energy environment.

Eligibility

Any woman who is an employee, business owner or consultant in the construction or related industries is eligible for this award. Nominees may be an employee, business owner or consultant.

Nominations for this award may be made by a nominee or a third party, provided that the nominee(s) has provided their consent to the nomination.

Nominees must be NAWIC financial members at time of nomination and award ceremony.

How to Nominate

1. Register online and enter all required details on the online entry page <http://www.crystalvision.awardsplatform.com/>
2. Read and agree to be bound by the NAWIC QLD Terms and Conditions.
3. Complete the online submission for one or more award category by meeting the requirements of the assessment criteria.
4. Ensure the online entry includes the following:
 - a. nominee biography (including brief summary of current role / education / work history / achievements / any other relevant information).
 - b. assessment criteria.
 - c. summary of the nominee in third person that can be used for citations.
 - d. a good quality, professional image of the nominee.
- e. Supporting material such as a letter of endorsement from the nominee's CEO/Managing Director, board of directors, manager or client, CV, photos and plans.

Assessment Criteria

Nominees will be assessed by a panel of industry volunteers based on how they have demonstrated their contribution to environmental, sustainability and social outcomes, having regard to the significance and innovative nature of the contribution.

Nominees must provide the following details for assessment:

1. Nature of the sustainability or energy contribution(s) made by the nominee (400 words).
2. Evidence of how best practice has been used to achieve these outcomes through any of the following (400 words):
 - a. An explanation of what made these contribution(s) particularly innovative or significant;
 - b. Evidence of effective consultation or communication with key stakeholders during development and implementation of the initiative(s);
 - c. New technologies, processes or practices developed.
3. An overview of challenges faced by the nominee and how these were overcome (400 words).
4. A summary of the impact/legacy achieved by the nominee with respect to the organisation, project or initiative performance, environment, sustainability, local community, or other key stakeholders (400 words).
5. Detail how the nominee has been a role model for other women in the industry (350 words).
