Presents

2025 UNSW Women in Construction Tradeswoman Advancement **\$10,000 Scholarship**

The NAWIC NSW & UNSW Women in Construction **\$10,000** Tradeswoman Advancement Scholarship is here to empower women working in trades and site-based roles who are striving to build leadership capability and progress their careers in construction.

Proudly funded by the Women in Construction project at the School of Built Environment, UNSW, this fully funded scholarship will provide one outstanding recipient with the opportunity to pursue professional or educational development that accelerates career growth and creates lasting impact across our industry.

APPLICATIONS CLOSE 10 OCTOBER 2025
