

# ACHIEVEMENT IN CONSTRUCTION, REFURBISHMENT & FITOUT

mpa

FOR SIGNIFICANT CONTRIBUTION AND ACHIEVEMENT IN THE CONSTRUCTION, REFURBISHMENT AND FITOUT OF A BUILDING

## PURPOSE AND RECOGNITION

This award recognises the achievements in applying exceptional construction processes to a project that has reached practical completion or a significant milestone between 1 April 2022 and 30 August 2023.

Nominees will be assessed by a panel of industry volunteers based on how they have applied exceptional construction practices to manage a complex aspect of a NSW building project.

## ELIGIBILITY

Any woman who has been involved in the construction or building of a project in New South Wales in a management or supervisory role is eligible for this award, including but not limited to, construction managers, project managers, commercial managers, HSEQ managers, supervisors, forepersons or leading hands who successfully managed complex components of a project.

Nominations for this award may be made by a nominee or a third party, provided that the nominee(s) has provided their consent to the nomination.

## NOMINATION ATTACHMENTS

- nominee biography. [View Template Here](#)
- a letter of endorsement to support the nomination from a manager or client

- a letter confirming nominees employment
- a letter from the property owner/client confirming consent. [View Template Here](#)
- a good quality, professional image of the nominee or nominee team.
- five good quality images of the relevant project

## SUBMISSIONS QUESTIONS & WORD COUNT

Provide examples of the exceptional construction practices applied by the nominee  
Maximum 350 words

Provide an explanation of what makes these practices particularly innovative or significant  
Maximum 350 words

Provide details of challenges that were overcome by the nominee in implementing these practices  
Maximum 350 words

Provide a summary of the impact / legacy achieved by the nominee that created a definitive impact on the project (ie. the efficiencies, programme acceleration, cost saving or other practical benefits achieved)  
Maximum 350 words

## 2022 WINNER | ERIN DOYLE, MIRVAC

As construction Project Manager for the heritage-listed Locomotive Workshops in South Eveleigh, Erin Doyle re purposed the space to create everything from a grocer to a gym, a blacksmith to a one-of-a-kind subterranean storytelling travelator tunnel. Erin's thoughtful reimagining has delivered an exemplary heritage refurbishment for the people of New South Wales.
